About Us

Who We Are

Accenvix Solutions is a professional services firm focused on capacity building, business transformation, and learning innovation. We bridge the gap between skills development, technology enablement, and practical business application, enabling organisations and individuals to achieve sustainable and measurable growth.

Founded in 2025 and based in Johor Bahru, Malaysia, Accenvix Solutions is supported by a leadership and consulting team with more than 15 years of combined experience across Information Technology (IT), business and financial consulting, and learning development.

By combining strategic thinking, practical execution, and technology-enabled learning, Accenvix Solutions delivers integrated solutions that support professional services excellence, talent sustainability, and long-term business performance.
